23 Seahorse Dr, Twin Waters

Unique Design in Prime Location

Enjoy long water views, from your light-flooded main living area, your terrace, or your sparkling pool. Walk down to your private jetty, launch your kayak or simply watch out for the birdlife in the trees and the occasional stingray gliding past.

Beautifully positioned, all on one single level and very private thanks to an adjacent park, 23 Seahorse Drive feels like a sanctuary on the waters edge, warm and inviting like a beachside bungalow, yet with abundant space and versatility.

The spacious master suite takes in fabulous views over the pool to the canal. There are three more bedrooms in a separate, lockable wing of the home. This unique design is ideal for Airbnb or visiting family and friends. A separate office features an external entry. For your movie nights, there is a dedicated media room. The formal living room currently hosts a grand piano.
