Unit 31, 20 Anchorage Cct, Twin Waters

Sensational Views

Presiding high over the main Twin Waters lagoon, this fantastic apartment offers mesmerising sparkling water views with the peaks of the Sunshine Coast's hinterland as a picturesque backdrop.

The main stage is the over-water entertaining deck, a very special place for sunset cocktails with your friends or to simply wind down and enjoy the scenery, with schools of fish, the occasional stingray or a famous couple of black swans gliding past right below you.

Water Gallery is the only over-water residential development on Queensland's Eastern seaboard, designed to spoil the lucky residents with a very special nautical feel. With its very long water views, this two-bedroom apartment is a fantastic opportunity to join one of the Sunshine Coast's most desirable gated residential communities.
