79 Stillwater Dr, Twin Waters

In A League Of Its Own

Situated on a large corner block with a perfect North-Easterly aspect and beautiful views across the tranquil waters of the Twin Waters lagoon, this architecturally designed masterpiece is a home like no other in the estate.

Taking full advantage of its unique location, the main entrance to the residence faces the water, whereas driveway and garage are accessed from the side street around the corner. Since there is so much space on the 811m² allotment, there is ample room next to the garage to accommodate a caravan, a boat or even both.

More surprises await inside where the living room extends to a beautiful wide and open corridor that runs along the very private swimming pool and garden. Banks and banks of louvers allow loads of natural light and cool breezes to flow through.

This brilliantly designed home offers plenty of room for family

and friends with three bedrooms, plus an enormous studio or fourth bedroom with external access and kitchenette.

Following large sections of high-pitched roof, the internal living areas feature raked ceilings that soar to amazing heights, creating a wonderful feel of extra space and generosity.

The upper level is reserved for the master bedroom with a large ensuite, walk-in robe and a lovely balcony, offering glorious views over parklands and a large expanse of sparkling water.

The open plan kitchen and living zone below spoils you with the same magic views. As you follow the sun and move on from your deckchair by the pool, the front veranda is the place of choice to enjoy the last kiss of sunlight over the lagoon, knowing that another perfect day awaits to kayak, to play a round of golf, to take a splash in the ocean or to dangle a line just across the way.

Combining a prime location by the lagoon with unique architecture and lots of space, 79 Stillwater Drive offers everything the most discerning buyer could wish for.

Don't miss out and call Lydia for your inspection.
