You will feel so special as you wake up to endless water views from your indulgent master suite in this elegant and luxurious garden apartment. It is the views that make living in the prestigious Water Gallery complex (the only over-water residential apartments on the Sunshine Coast) so special and this property has some of the best views of all.

The architectural design for this unique property offers a spacious, easy flowing floor-plan that maximises the outlook and seamlessly connects the inside and out. A well arranged floor-plan includes three separate living zones; entertaining a crowd is as easy as one, two, and three.

Depending on your mood, you might choose to head for the beach or river, invite friends over to relax on the deck, or, for a change of scene, enjoy the on-site facilities: Water Gallery has a fabulous 25-metre heated lap pool plus two separate BBQ areas to enjoy leisurely poolside lunches.
