Unit 22, 179 Ocean Dr, Twin Waters

Live the High Life

Beautiful views from their wide, North-facing balconies are the trademark of all residences at Magnolia Lane and apartment 22 makes no exception, offering a breathtaking panorama of the ninth fairway stretching into the distance, framed by natural bushland with tall, established trees and the sparkling resort pool in the foreground.

Only that the experience of this residence goes far beyond bird's eye views. Its privileged position as a sub-penthouse on the fifth floor defines a unique lifestyle, as the balcony not just stretches along the width of the apartment to the North, but also wraps around the Eastern flank of the residence to form a huge L-shaped terrace. With plenty of depth and shelter from above, this lofty alfresco space allows you to follow the sunlight and relax in complete privacy, but can also accommodate the largest of crowds plus all the equipment you need for BBQ
