## Space and Privacy on the Canal

Opening to the tranquil waters of the main canal and embedded in lush greenery from all other aspects, this magnificent waterfront residence offers a unique and privileged lifestyle in the very heart of Twin Waters.

A wide and leafy easement to one side and a large park with rows of tall, established trees to the other side of the property create an amazing natural curtain of privacy as you enjoy your backyard, soak up the sun on your canal-front terrace or take a splash in your infinity edge swimming pool.

From your sundeck, a magic natural panorama unfolds where the pool seems to merge seamlessly with the glassy waters of the canal, stretching into the distance like a pristine river landscape. Only the bridge further up on the canal reminds you that an outside world even exists.
