Just a short stroll from the main entrance and the stylish stone cladding of the exterior walls, you will find everything you could ever wish for to be creative, pursue your hobbies, exercise and share good times with friends. A large heated pool with spa and sauna is flanked by a tennis court and an all-weather bowling green. Inside the main building, there is a snooker room, a ping-pong room, a gym and a golf simulator that allows you to play the world's most glorious courses without the inconvenience of international travel.

If you just want to wind down and relax, there is a fully equipped movie theatre for your blockbuster nights, a television lounge with fireplace, plus a library stacked with more books than you'll ever be able to read. You can also treat yourself to a massage, pamper yourself in the hair salon, or create a work of art in the workshop or craft studio.

The community club is on a grand scale and can accommodate everyone in the complex for larger events, with a complete industrial kitchen and a fully stacked bar to one and a theatre stage to the other side.

The complex also provides an RV parking area, with an adjacent, well-equipped workshop.

Local shops, restaurants and a large supermarket are within walking distance. The Twin Waters shopping village, golf course, surf beaches and the Sunshine Coast airport are only a short drive away. The Maroochydore shopping plaza is less than ten minutes down the road. There is a bus stop right outside, with a great network of services to everywhere on the Sunshine Coast.
