Charming poolside veranda with a pergola to gently filter the morning sun.

The main internal living extends to the all-weather terrace. Running along the entire length of the pool, this versatile area provides ample space for all your entertaining needs from cocktail parties to barbecue nights, and extends a dedicated alfresco dining area that mirrors the internal dining space.

Further back within the residence, a stylish kitchen and an elegant island stone bench with waterfall edges form the centrepiece of the home. The kitchen is awash with light from a patio, where the warm hues of a timber deck, the greenery of a large planter box and horizontal screening from the neighbouring property combine to an ambience of peace and tranquillity.

With their location towards the centre of the residence, kitchen and patio also form a buffer zone to a separate TV lounge.

The guest quarters with four bedrooms and two bathrooms are beautifully arranged on either side of the entry. Divided into two private wings with two bedrooms and a bathroom each, they are fantastic retreats that spoil your family and friends with their individual space and privacy.

Carefully designed to suit its uniquely beautiful allotment and tastefully finished to the highest standards, this residence is a contemporary architectural masterpiece, matched by an outstanding location within easy walking distance to the banks of the Maroochy River and the iconic footbridge by the weir, and just a short drive away from other local attractions such as the Twin Waters golf course and shopping village.
