where you can stretch out on your deck chair amidst tropical gardens and where you can entertain family and friends on a central, completely sheltered alfresco terrace, all in complete privacy with the dense line of trees in the adjacent bushland as your backdrop.

No expense was spared in fixtures and fittings. Beautifully crafted timber cabinetry, spacious walk-in showers and a stylish free-standing bathtub are the focal points in the all-new bathrooms. An all-new kitchen with Miele appliances and an elegant mix of white and natural timber cabinetry combines contemporary looks with long-term durability. Two large Velux skylights enhance the ambience even further and turn the raked ceiling above the kitchen and main living area into a striking feature. New ducted air-conditioning, new LED lighting, a new solar system, automatic garden irrigation, a garden shed and easy-clean epoxy flooring in the double garage all add to the philosophy of true easy living on a single level.

As convenient as its features is the location of this home in the very heart of Twin Waters. A network of idyllic walking and cycling tracks literally starts at your front door. A large park with a lovely playground along the shoreline of the Twin Waters lagoon is just a short stroll away. The Twin Waters golf course and shopping village are still within walking distance. A short drive gets you to pristine surf beaches, the Sunshine Coast airport and the lively Maroochydore CBD.

All-new and inviting, this home is the perfect choice for anybody wanting to enter the enviable local lifestyle. It offers convenience allowing you to spend your day on the beach or the golf course rather than on maintenance chores. It delivers the right size and balance for young families. It is equally suited as an easy-care holiday escape or for frequent travellers that want to lock up and leave at a moment's notice. More than anything, this residence showcases outstanding quality in a highly desired market segment.
