Unique Architecture, Ultimate Lifestyle

More photos to come:

From the deck of this magnificent over-water penthouse, the Twin Waters lagoon stretches away like a silver carpet. Vertically below, in clear shallow water, schools of fish are zipping back and forth. In the distance far behind the bays and promontories of the lake, the rolling hills of the Sunshine Coast hinterland create a background that gets more and more dramatic as the afternoon sun dips towards the horizon.

The interior open-plan living area connects to the outdoors with floor-to-ceiling glass bifold doors across the entire width of the deck. Whether these doors are open or closed, the lake is always present and creates a special feeling of being unrestricted, as if you were just about to cast off and float away.

The adjacent master bedroom is an intimate variation of this

theme. Elegantly V-shaped, it draws your gaze to your own small private balcony. An opulent ensuite with a free-standing bathtub maximises the water views through a spectacular panoramic window.

A huge private rooftop terrace with a heated plunge pool offers a fantastic and versatile playground for BBQ nights, cocktail parties or your own happy hour.

Two well-sized guest rooms with a second bathroom and a separate library or TV lounge with another large, sheltered balcony face the groomed gardens and the resort-style pool area of the complex.

Direct lift access to your triple lock-up garage in the basement is one of the many conveniences that provide the very best in laid-back luxury living, with the security of a gated complex, a bare minimum of maintenance and the option to lock up and leave at a moment's notice.

Water Gallery's over-water architecture is unique on Australia's Eastern seaboard and only two upper level penthouses exist in the entire complex. Don't miss out on this rare opportunity and call Lydia for your private inspection.
