Easy Lifestyle, Endless Views

Maximising its privileged location at the end of its building, this amazing upper floor apartment offers plenty of space and an ambience of light-filled generosity with high ceilings, mesmerizing views and beautiful summer breezes.

From the open-plan living area and the central kitchen, the half-moon shape of a tall tamarind tree against the blue sky looks like a framed painting. As you get closer and step across onto the main terrace, the full panorama unveils, with hibiscus trees on either side of the tamarind and with manicured lawns that gently flow down to the Twin Waters lagoon, its glistening reflections filtered by dense foliage.

Whilst the adjacent master suite shares this idyllic position and opens to the lake with its own set of glass sliding doors and a small private balcony, family and friends get spoiled with lovely views of the lush gardens within the complex. Connected to the
