Grand Lifestyle, Stunning Views

More photos to come: Hetherington Drive provides the most prestigious golf front living in Twin Waters. Aptly named Fairways Island, this elegant cul-de-sac is completely surrounded by the golf course, tranquil lakes and native bushland, promising a peaceful and secluded lifestyle amidst players slowly moving along and families of kangaroos grazing in the afternoon sun.

21 Hetherington Drive exceeds these expectations with perfect in- and outdoor living along the 18th fairway that feels like an extension to your backyard.

Completely screened and spanning almost the entire width of the residence including the master suite, a Florida room serves as a poolside terrace as much as it is a true extension of the interior.
