PLENTY OF SPACE FOR ALL

Only seven years old, this one off designed home has just been painted throughout, presents immaculately and now awaits its new owners to move in and to add their individual style of décor and furnishings. Generously spread out on a single level across 792 m2 of land, this contemporary house with four bedrooms and three bathrooms, plus a powder room offers plenty of space for a growing family wanting to entertain or retirees wanting to have the grandkids over on their school holidays. There is also room for a boat or caravan.

Three bedrooms are located in a separate wing of the home whilst the master with its lavish ensuite is a perfect retreat, flooded with natural light and featuring lovely views across the pool through stylish plantation shutters.

The modern and well appointed kitchen with loads of bench space and walk-in pantry is perfectly positioned for entertaining or keeping an eye on the children whilst they play in the 11 x 2.5 metre pool. A solid block wall encloses the corner block position, providing privacy, security and a safe playground to kick a ball.
